

STATEMENT OF COOPERATION

for
Temple Christian Middle/High School

Temple Christian School holds that the Bible is the infallible Word of God, and that salvation by faith in Christ is the initial step in the Christian life. There is adequate Biblical basis for the idea of spiritual growth that begins with the initial act of salvation and continues throughout life. The goal of spiritual growth is to conform the believer into the image of Christ. The result is a life consecrated unto God, and separated from the world.

Temple Christian School must, therefore, provide an environment conducive to the spiritual growth and development of young people who are not yet mature Christians. The following imperatives are necessary to provide such an environment:

- Students will refrain from swearing; using indecent language; smoking; possession or use of liquor, drugs, or tobacco; stealing; sexual misconduct.
- Students will refrain from listening to inappropriate music while on campus or at a TCS function
- Students will refrain from harassment, fighting, violence, or threats of any kind;
- Students will maintain Christian standards in attitude, courtesy, kindness, honesty, morality, and modesty.
- Students will adhere to guidelines and standards outlined in the Student/Parent Handbook.

In this atmosphere of definite and positive Christian standards of conduct, good scholastic planning, and genuine personal interest between faculty and student, there is a wonderful opportunity for the development of strong Christian character.

I have read the Statement of Cooperation for Middle/High School. While enrolled in Temple Christian School, I agree to cooperate with, and abide by these standards.
